

	Age	How many hours a week you do play video games?	Why do you play video games?	What do you dislike about video games?
1	25	5-10 hours	I enjoy the story and it relieves stress. I like to create and be a “hero”.	Some games have too many mechanics, I like to be able to jump in a just play
2	24	25 hours	I play video games cuz fun	I dislike how much video games cost

3	27	10-15 hours	Its nice to escape from reality	Micro-transactions and Loot Boxes
4	23	25-30 hours	They are engaging, and its fun to see progression in skills equal the amount of time you put into it; competitive gaming is awesome	How much gamers are taken advantage of by the publishers of the game. and how expensive it is.

Do you think video games are addicting? Why or why not?	What is your favorite video game?	How long have you been playing Video Games?
<p>No, I think anything can be addictive, games are as addictive as netflix.</p>	<p>Any Legend of Zelda</p>	<p>22 years</p>
<p>Video games can be addictive depending on the game.</p>	<p>Halo</p>	<p>18 years</p>

For sure, but it depends on the person.	Zelda or Enderal	19 years
The way publishers are changing the way games are played is turning them into an addiction. before that no, I don't think games are addicting. but I think too many people are using them as an escape of reality. which isn't always a bad thing imo.	Half Life 2	8 years
